650-X-2-.01 Training.

For the purpose of this Chapter the term Law Enforcement Officer includes Correctional Officers employed by the Alabama Department of Corrections.

(1) Each applicant must be gainfully employed as a full-time law enforcement officer by a law enforcement agency at the time of his/her application to the academy.

(a) Full-time employment is defined as 40 hours per week or an average of 40 hours per week during the monthly or bi-weekly pay periods of most agencies.

(b) A law enforcement agency employing an applicant working less than 40 hours per week must request in writing a waiver from the Executive Secretary requesting the applicant be allowed to attend an academy.

(2) Prior to certification, the applicant shall complete the required course of training established by the Commission.

(3) An applicant may be provisionally appointed for a period of six months (180 days), after which time the appointment is null and void. No individual may be employed or appointed for

an additional period until that individual is certified as a law enforcement officer by the commission.

(a) Provisional appointment requires:

1. An application package as set out in Rule 650-X-2-.09 has been submitted on the first day of employment as stipulated in Rule 650-X-1-.16(4) and has been received by the Commission.

2. A provisionally appointed law enforcement officer who is involved in patrol operation for the purpose of detection, prevention and suppression of crime or the enforcement of the traffic or highway laws of the state, including exercising the power of arrest, will be under the direct control and supervision of a certified law enforcement officer.

3. Traffic direction and control may be performed by a provisionally appointed law enforcement officer without direct supervision, provided, however, that supervisory control is exercised by a certified law enforcement officer whose total span of control would be considered within reasonable limits.

4. A provisionally appointed law enforcement officer may render crowd control assistance at public gatherings or governmental functions as directed by their employing law enforcement agency provided supervisory control is exercised by a certified law enforcement officer whose span of control would be considered within reasonable limits.

5. The provisional appointment is valid for a total of six (6) months (180 days) during a two (2) year period of 730 days from the time of first appointment by any law enforcement agency.

6. This six-month period to complete his/her required course of training cannot be extended or re-started by an applicant being terminated or re-employed by the same or another law enforcement agency nor by an applicant voluntarily changing employment from one law enforcement agency to another. Each day of the six-month provisional appointment is cumulative no matter how many law enforcement agencies the applicant has worked for during his/her six-month provisional appointment.

7. The provisional appointment of any applicant who does not complete the required course of training within six (180 days) months from the date of his/her initial employment/appointment is null and void.

8. A provisionally appointed applicant who fails to achieve certification, as required herein, within his/her six-months provisional appointment time, may not re-apply for employment/appointment as a law enforcement officer for two years following the expiration of their provisional appointment time.

650-X-2-.04 Physical Examinations And Psychological Evaluations.

(1) Physical Examinations. Each applicant shall submit to a complete physical examination conducted by a licensed Medical Doctor (M.D.), a licensed Doctor of Osteopathic Medicine (D.O.), or by a Certified Registered Nurse Practitioner (CRNP) or a Physician's Assistant (P.A.) who is licensed and duly authorized by state statute to conduct said physical examinations. The appointing authority shall designate one of the above-named health care professionals to conduct the physical examination. The health care professional conducting the examination shall certify to the Commission on APOST Form Number 3A that the applicant is physically fit and in good health to participate in the rigorous training conducted at a law enforcement academy and is physically fit to perform the duties of a law enforcement officer.

(2) Psychological Evaluations. Each applicant shall submit to a comprehensive psychological evaluation by a Licensed Behavioral Health Professional with experience in conducting Psychological Testing and Evaluations. The Behavioral Health Professional shall have experience working with the law enforcement community. The report of the examining professional shall state whether the applicant is recommended or not recommended for employment/appointment as a law enforcement officer. The examining professional shall complete and submit to the Commission APOST Form Number 3B.

Should the report of the examining professional provide a recommendation other than "Recommended for employment/appointment as a law enforcement officer," and the employing agency submits to the Commission an Application for Certification of the individual notwithstanding said recommendation, then the employing agency must provide documented, supplemental information to the Commission to support and validate the fitness of the applicant applying to be certified as a law enforcement officer. The applicant's APOST Form 3B, the report of the examining professional, and any supporting documents submitted by the agency head will then be reviewed by the Commission's

"Committee on Character and Psychological Evaluation Review". The Committee will evaluate the reports and other documents to determine the acceptability of the applicant. If the application is rejected by the Committee, the Executive Secretary will notify the employing agency that the applicant is ineligible for appointment and the applicant's provisional appointment as a law enforcement officer is deemed terminated.

(a) The psychological evaluation administered to law enforcement officers must meet the approval of the Commission.

(b) An applicant who fails to receive an acceptable assessment of his/her psychological evaluation from the Committee is not eligible for employment/appointment for a period of one (1) year and must first be reviewed and cleared by the Committee on Character and Psychological Evaluation Review prior to any future appointment as a law enforcement officer. 650-X-2-.05 Character.

(1) The applicant shall be a person of good moral character and reputation;

(2) Conviction of any felony pursuant to any state or federal law shall be a complete and absolute bar to certification, employment, appointment, or approval as a law enforcement officer.

(a) The existence of a pardon does not nullify a conviction for the purpose of this rule.

(b) An applicant having been convicted, pleaded guilty or nolo contendere to any felony pursuant to state or federal law is not eligible for certification, employment, appointment, or approval as a law enforcement officer,

notwithstanding suspension of sentence, pre-trial diversion or withholding of adjudication.

(c) Conviction of any conduct, including by a plea of guilty or nolo contendere, in any other jurisdiction that would have constituted a felony in Alabama and been punishable by a sentence exceeding one year in Alabama shall be a complete and absolute bar to certification, employment, appointment, or approval as a law enforcement officer, notwithstanding suspension of sentence, withholding of adjudication, pre-trial diversion or the existence of a pardon.

(d) An applicant shall disclose and produce to the Commission, any expunged record of any arrest, regardless of the disposition of the case. For the purpose of certification and regulation of law enforcement and correctional officers the Commission shall have access to any expunged records sealed or archived. An otherwise eligible applicant who has received an expungement of any felony or of any misdemeanor offense involving force violence or moral turpitude is required to submit to a review for eligibility by the Committee on Character and Psychological Evaluations Review prior to appointment as a law enforcement officer.

(3) An applicant or certified law enforcement or correctional officer who, as a defendant in any criminal or civil case enters into a plea or other agreement approved by the Court presiding over any said criminal or civil matter, to surrender his/her APOSTC certification or to never work again in law enforcement or corrections shall not be eligible for certification, re-certification, employment, appointment, or approval as a law enforcement or correctional officer. The Commission will revoke the certification of any person so situated. For the purposes of this Rule, approval by the presiding Court shall include express approval in an order or docket entry or implied approval evidenced by the dismissal of said criminal or civil case conditioned on such agreement. The existence of a pardon on said criminal conviction shall not have any effect on the eligibility of a person so situated to be certified, re-certified, employed, appointed, or approved as a law enforcement or correctional officer, except a subsequent court order by the Court presiding over said criminal or civil case declaring said agreement void ab initio.

(4) Conviction of a misdemeanor pursuant to any municipal, state or federal law shall not automatically disqualify a person as a law enforcement officer. Such a conviction may be considered as a factor among several in evaluating fitness as a law enforcement officer, which factors shall include but not be limited to the nature and gravity of the offense or offenses, the time that has

passed since the conviction and/or completion of the sentence and the nature of the job held or sought and such other factors as to affect the applicant's character. In the case of a misdemeanor conviction, involving a guilty plea or plea of nolo contendere, involving force, violence, moral turpitude, perjury, or false statements, notwithstanding suspension of sentence or withholding of adjudication, results of psychological testing shall also be considered as a factor in considering the applicant's fitness as a law enforcement officer.

(5) Adjudication as a juvenile shall not be considered as a conviction for the purpose of these Rules. Provided however, an applicant adjudged a youthful offender under Section 15-19-6(a) of the Ala. Code, shall report such youthful offender adjudication to the Commission. The applicant shall be required to appear before the Commission for a character review hearing to consider the underlying facts and circumstances before said application is approved by the Commission.

(6) Any person who is prohibited by state or federal law from owning, possessing, or carrying a firearm, including but not limited to a pistol, handgun, rifle or shotgun, shall not be employed or certified as a law enforcement officer.

(7) Any person who is required to register as a convicted sex offender in accordance with Title 15, Chapter 20A, Code of Ala. 1975, as amended, shall not be employed or certified as a law enforcement officer.

(8) The arrest of any certified law enforcement officer, provisionally appointed law enforcement officer, or applicant, for any felony or misdemeanor offense shall be immediately reported to the Commission by the employing agency, arresting agency, and the law enforcement officer. The final disposition, including a copy of the case action summary, shall be immediately provided to the Commission by the employing agency, arresting agency, and the law enforcement officer regardless of finding. Any applicant for employment and/or appointment as a law enforcement officer, whether previously certified or non-certified, who has criminal charges pending before any court, is subject to court-ordered probation or is the subject of a protection from abuse order issued by a court of competent jurisdiction, shall not be employed or appointed as a law enforcement officer until any/all criminal charges are adjudicated and the individual is released by the court from any probation orders and/or protection orders. Upon adjudication and/or release as specified herein, a Character Review may be required to determine eligibility for employment/appointment.

(a) The certification and/or appointment of any law enforcement officer who is the subject of an ex parte protection from abuse (PFA) Order, issued in accordance with Ala. Code Section 30-5-1, et seq., and who has appeared before the Court for a hearing as required by Section 30-5-6 on the ex parte PFA Order, or who has failed to appear for the hearing after receiving proper notice of the hearing, shall be suspended pending a final hearing before the Court in the PFA proceeding. The officer's certification is deemed suspended, and the officer is not authorized to work in any capacity as a law enforcement officer until such time as the PFA is lifted by the Court, AND, the Officer has appeared for a character review hearing before the Commission. The Commission, upon proper petition of the Officer, will conduct a Character Review Hearing to determine the Officers' fitness for duty. In making the fitness-for-duty determination the Commission will require a Psychological Evaluation conducted by a Clinical Psychologist or other person licensed to conduct mental health fitness for duty evaluations of law enforcement officers. Such evaluation will be conducted by a professional selected by the Commission and at the expense of the officer requesting reinstatement of his/her law enforcement certification. When the law enforcement officer files a petition for hearing before the Commission, the Executive Secretary will arrange for a mental health fitness for duty evaluation of the Officer.

(9) Applicants who falsify their application are ineligible for employment as a law enforcement officer and they are ineligible to attend the academy for certification as a law enforcement officer. Applicants who are determined to have falsified their applications are barred from employment or certification as a law enforcement officer for two (2) years.

(10) No law enforcement officer, either certified or provisionally appointed, shall knowingly and willfully provide false or misleading information to the Commission or any of its agents.

(11) No law enforcement officer shall knowingly and willfully violate the Rules and Regulations of the Commission.

(12) Any law enforcement officer who knowingly and willfully provides false or misleading information to the Commission or its agents, or who knowingly and willfully violates the Rules and Regulations of the Commission, shall be subject to having their Certification suspended or revoked by the Commission.
